Working together with a clear purpose.

Always looking for ways to improve.

Pursuing our personal best no matter who we work with.

Having the resilience to make improvements.

Remembering that everyone learns in different ways.
What does this mean for teaching & learning?

Sharing learning intentions with students.
Why are we doing this?
How will it help you make progress?
How will you know that you have been successful?

Self reflection
Reflection logs.
Self monitoring against rubrics.

Useful feedback that moves learning on.
Clear criteria.
Revisiting work to make improvements.

Using questions that challenge and move students forward.
How did you work that out?
Hands down strategies.
Wait time.

Using peers
Peer marking
Peer tutoring.
Gallery walks.
